Policy Statement

We work in partnership with local and national agencies to promote the well-being of all children.

Procedures

- Procedures are in place for the sharing of information about children and families with other agencies. (see previous policies)
- Information shared by other agencies with us is regarded as third party information. This is also kept in confidence and not shared without consent from that agency.
- When working in partnership with staff from other agencies we make those individuals welcome in the setting and their professional roles are respected.
- We follow the protocols for working with agencies, for example on child protection
- Staff from other agencies do not have unsupervised access to the child they are visiting in the setting.
- Our staff do not casually share information or seek informal advice about any named child/family
- When necessary we consult with local and national agencies who offer a wealth of advice and information that helps us to develop our understanding of the issues facing us and who can provide support and information for parents.
